

Clarity Redefined

Premium-quality USB audio interfaces designed for producers, engineers and artists.

The ultimate recording preamp

Clarett+ preamps have very high headroom, low distortion and ultra-low noise, so you can capture exceptionally pure recordings and achieve a professional sound, whether miking guitars, recording vocals or tracking drums.

All-analogue Air

All-analogue Air with impedance switching and relay control brings clarity and presence, and makes vocals shine, by emulating the ISA 110 mic preamp from the classic Focusrite Studio Console.

Clear just got clearer

Improved, high dynamic range A-D and D-A conversion gets you closer to your music, with ultra-low distortion that provides clearer mixes and stunning detail at all levels.

Hear the truth

Improved headphone outputs and DAC performance provide powerful, transparent sound at all levels – on any headphones – so producers, engineers and artists can make their best mix decisions and inspire amazing performances.

All the tools you need

A comprehensive collection of software, including mixing plug-ins and virtual instruments, gives you the tools needed to master your craft.
