THE STRENGTH OF INNOVATION

Since its inception in 1977, **Ultimate Support Systems** has become the premium accessory choice of the pros, dealers and consumers alike, by offering innovative, award winning, user-driven designs and support products—accompanied by superior customer support—geared to meet the ever-evolving needs of musicians, sound contractors, venues and recording studios.

Ultimate Support's artist roster includes chart-topping acts from Tim McGraw to The Killers to Buddy Guy; it is the official accessory company of the House of Blues the John Lennon Educational Tour Bus, and throughout seven seasons of American Idol on Fox, Idol performers have repeatedly depended on Ultimate Support One-Hand Microphone Stands. Additionally, Ultimate Support has forged strategic, OEM manufacturing/design partnerships with numerous industry corporations such as Roland, Yamaha, Bose, and JBL. For more information, visit: [www.ultimatesupport.com](http://www.ultimatesupport.com).

We hope you enjoy the new 2009 catalog, as it represents our passion for the music industry and our commitment to innovation. Our legacy for superior products continues stronger than ever. Ultimate Support Systems, once again, is the ONE to watch.

*Official Stand Company of:*

# AIR-POWERED

## TS-100 SPEAKER STAND

Air-powered speaker stand does the heavy lifting for you.

## AIR-POWERED TELESCOPING MECHANISM

TS-100's internal shock holds the speaker weight at neutral, reducing the lift load. Simply turn the telescoping knob and the TS-100 assists in smoothly raising and lowering heavy loads with minimal effort.

## HEAVY-DUTY STAND

Larger diameter, anodized tubing and metal reinforced clamps securely support more weight than other stands.

## TRULY PORTABLE

Quickly folds into a compact, lightweight unit.

## NO PARTS TO LOSE

Integrated sizing adapter and rubber foot caps that won't fall off.

## LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

## THE STRENGTH OF INNOVATION

*The TS-100 Air-Powered Speaker Stand (Patent Pending) lifts 50 lbs. for you! Our air spring is under a 50 lbs., preload - when the speaker is safely loaded on the stand, turn the telescoping knob and raise any speaker weighing less than 50 lbs. with zero effort on your part. If your speaker is over 50 lbs., marvel at how little effort it takes to raise the speaker to the proper height.*

## TS-100B

- TS-100B #16759— black
- Height 3'8" - 6'7" (1118 mm - 2007 mm)
- Weight 12.1 lbs. (5.5 kg)
- Base diameter 47" (1194 mm)
- Telescoping tube diameter 1.5 (38 mm)
- Adapter diameter 1.375 (35 mm)
- Load capacity of 150 lbs. (68.2 kg)
- Folded 43.5" x 5.5" (1105 mm x 140 mm)
- Limited lifetime warranty

# TELELOCK®

## TS-90 SERIES SPEAKER STANDS

Premium speaker stand.

## PATENTED TELELOCK®

TeleLock allows one person to easily and safely raise and lower heavy speakers.

## HEAVY-DUTY STAND

Larger diameter, anodized tubing and metal-reinforced clamps securely support more weight than other stands.

## PORTABLE, VERSATILE & RELIABLE

Quickly folds into a compact, lightweight unit. Includes integrated sizing adapter and rubber foot caps that won't fall off.

## LIMITED LIFETIME WARRANTY

The last stand you will ever have to buy, backed by our award-winning customer support.

## THE STRENGTH OF INNOVATION

*The TeleLock® collar has an internal, one-way friction mechanism with three settings. In the "raise" setting, the mechanism grips and holds the tube, allowing you to incrementally pull the center tube up to the required height. In the "lower" setting, TeleLock® eases off and assists lowering the center tube. In the "Lock" position, the telescoping tube stays in place allowing for easy removal of the speaker. This unique design reduces strain and adds safety!*

## TS-90B

- TS-90B #13908— black
- Height 3'8" - 6'7" (1118 mm - 2007 mm)
- Weight 7.3 lbs. (3.3 kg)
- Base diameter 47" (1194 mm)
- Telescoping tube diameter 1.5 (38 mm)
- Adapter diameter 1.375 (35 mm)
- Load capacity of 150 lbs. (68.2 kg)
- Folded 43.5" x 5.5" (1105 mm x 140 mm)
- Limited lifetime warranty

## TS-99B TALL STAND

- TS-99B #13910— black
- Height 5'2"- 9'2" (1575 mm - 2794 mm)
- Weight 9.8 lbs. (4.5 kg)
- Base diameter 62" (1575 mm)
- Telescoping tube diameter 1.5 (38 mm)
- Adapter diameter 1.375 (35 mm)
- Load capacity of 150 lbs. (68.2 kg)
- Folded 57.5" x 5.5" (1461 mm x 140 mm)
- Limited lifetime warranty

## TS-99BL

### TALL LEVELING-LEG STAND

Leg telescopes in length to level the stand on uneven surfaces. Except where noted, specs are the same as TS-99B above.

- TS-99BL #13642— black leveling-leg
- Leveling-leg length 40" - 53" (1016 mm - 1346 mm)
- Weight 10.2 lbs. (4.6 kg)
- Folded 57.5" x 6" (1461 mm x 152 mm)

# THE ORIGINAL

## TS-80 SERIES SPEAKER STANDS

The strongest, most durable speaker stand for over 30 years.

## HEAVY-DUTY STAND

Larger diameter, anodized tubing, and metal reinforced clamps securely support more weight than other stands.

## TRULY PORTABLE

Quickly folds into a compact, lightweight unit.

## NO PARTS TO LOSE

Integrated sizing adapter and rubber foot caps that won't fall off.

## LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

## THE STRENGTH OF INNOVATION

*Die-cast metal clamps fit snugly over glass-reinforced polycarbonate fittings; this combination creates the strongest and most durable telescoping collar and leg collar possible. Since the handknob actually tightens the metal clamp and not the plastic directly, these collars aren't easily over-tightened, snapped or cracked! Ultimate Support speaker stands are the safest, most stable and durable stands you can own!*

## TS-80B/TS-80S

- TS-80B #13904— black, TS-80S #13903— silver
- Height 3'8" - 6'7" (1118 mm - 2007 mm)
- Weight 7.3 lbs. (3.3 kg)
- Base diameter 47" (1194 mm)
- Telescoping tube diameter 1.5 (38 mm)
- Adapter diameter 1.375 (35 mm)
- Load capacity of 150 lbs. (68.2 kg)
- Folded 43.5" x 5.5" (1105 mm x 140 mm)
- Limited lifetime warranty

## TS-88B TALL STAND

- TS-88B #13906— black
- Height 5'2" - 9'2" (1575 mm - 2794 mm)
- Weight 9.8 lbs. (4.5 kg)
- Base diameter 62" (1575 mm)
- Telescoping tube diameter 1.5 (38 mm)
- Adapter diameter 1.375 (35 mm)
- Load capacity of 150 lbs. (68.2 kg)
- Folded 57.5" x 5.5" (1461 mm x 140 mm)
- Limited lifetime warranty

# SPEAKER STAND

## TS-70 SPEAKER STAND

Compact, lightweight, height adjustable at a competitive price...a great choice!

### SAFE AND SECURE

Securely supports more weight than other light-weight stands; locking pin for absolute speaker security.

### TRUE PORTABILITY

Quickly folds into an ultra-slim, lightweight unit.

### VERSATILE

Includes integrated socket adapter and foot caps that won't fall off.

### LIMITED LIFETIME WARRANTY

Constructed of durable materials and backed by our award-winning customer support.

### TS-70B

- TS-70B #13712— black
- Height 4'2" - 6'5" (1270 mm - 1956 mm)
- Weight 5 lbs. (2.4 kg)
- Base diameter 40" (1016 mm)
- Telescoping tube diameter 1.375 (35 mm)
- Adapter diameter 1.5 (38 mm)
- Load capacity of 150 lbs. (68.2 kg)
- Folded 41.5" x 5" (1054 mm x 127 mm)
- Limited lifetime warranty

*Tim McGraw*

**TSM-150MK #13421** - fits 1-1/2" (38 mm) tube

**TSM-138MK #13425** - fits 1-3/8" (35 mm) tube

Internal metal bracket securely mounts any speaker cabinet with a flat bottom.

Diameter is 4" (102 mm).

Metal fitting holds 150 lbs. (68.2 kg).

- 1-year warranty

# NEW! SATELLITE POLES

## SP SERIES

Featuring NEW! Perfect Fit™ Speaker Adapter ends.

### HEIGHT ADJUSTABLE

Adjustable speaker pole fits into any subwoofer receptacle so you can mount a satellite speaker over your sub.

### HEIGHT ADJUSTMENT MECHANISM CHOICES

SP-100B Air-Powered does the heavy lifting for you (details on page 6).  
SP-90B TeleLock® allows one person to easily and safely raise and lower heavy speakers (details on page 8). SP-80B "The Original" metal reinforced clamps securely support heavy speakers (details on page 10).

### HEAVY-DUTY STAND

Larger diameter, anodized tubing securely supports more weight than other telescoping poles.

### VERSATILE POLE

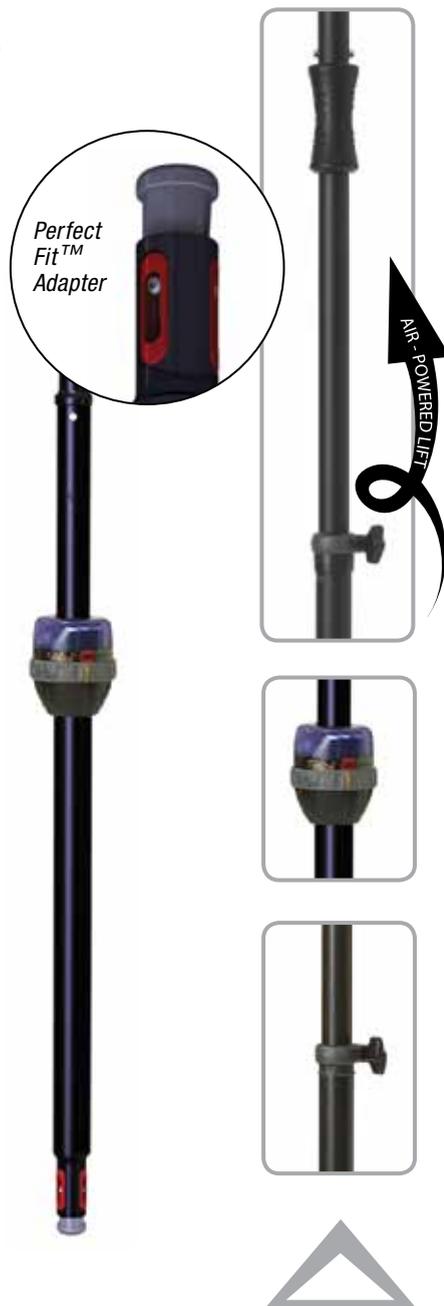

Pole features the new Perfect Fit™ Speaker Adapters (shown on page 14), on each end. Adapter automatically adjusts for use with virtually any speaker make or model, it fits into any standard sized pole socket, keeping your speaker perfectly vertical and wobble-free.

### LIMITED LIFETIME WARRANTY

Constructed of durable materials and backed by our award-winning customer support.

### SP SERIES

- SP-100B #17219— black
- SP-90B #16646— black
- SP-80B #17218— black
- Height 40" - 60" (1270 mm - 1956 mm)
- Perfect Fit™ Speaker Adapters accommodate 1-1/2" (38 mm) and 1-3/8" (35 mm)
- Load capacity of 150 lbs. (68.2 kg)
- Limited lifetime warranty

# LIGHTING TREES

## LT SERIES

Heavy-duty, tall stand and crossbar packages.

*LT-99B Single Tier Lighting Tree shown with optional LTB-24B Crossbar Pair and LTV-24B Vertical Extension.*

## DUAL USE CROSSBARS

Crossbars have pre-drilled holes for attaching lights with mounting hardware (provided) and are thick-walled for use with C-clamps (not included).

## LT-99B FEATURES PATENTED TELELOCK®

TeleLock Stand allows one person to easily and safely raise and lower heavy lighting gear.

## LT-88B ORIGINAL STAND

Stand has larger diameter tubing and metal reinforced clamps to securely support more weight than other stands.

## TRULY PORTABLE

Stands quickly fold into compact, lightweight units. Optional tote bags available (see page 14).

## LIMITED LIFETIME WARRANTY

Constructed of durable materials and backed by our award-winning customer support.

## THE STRENGTH OF INNOVATION

*Hatched T-fittings are used to attach lighting tree crossbars to the stand base. The fittings are two pieces that fit together, tightening with three handknobs; handknobs replace allen wrenches. The polycarbonate fitting is stiffer, stronger, larger, and more convenient than conventional connectors. Stress points are distributed over the entire T-fitting, reducing cracking.*

## LT-99B LIGHTING TREE

- LT-99B #17347 — black
- TS-99B TeleLock® Speaker Stand Base
- See page 9 for stand base specs
- Weight with crossbar 13.8 lbs. (6.3 kg)
- 4' crossbar (1219 mm)
- Crossbar load capacity 60 lbs. (27.2 kg)
- Limited lifetime warranty

## LT-88B LIGHTING TREE

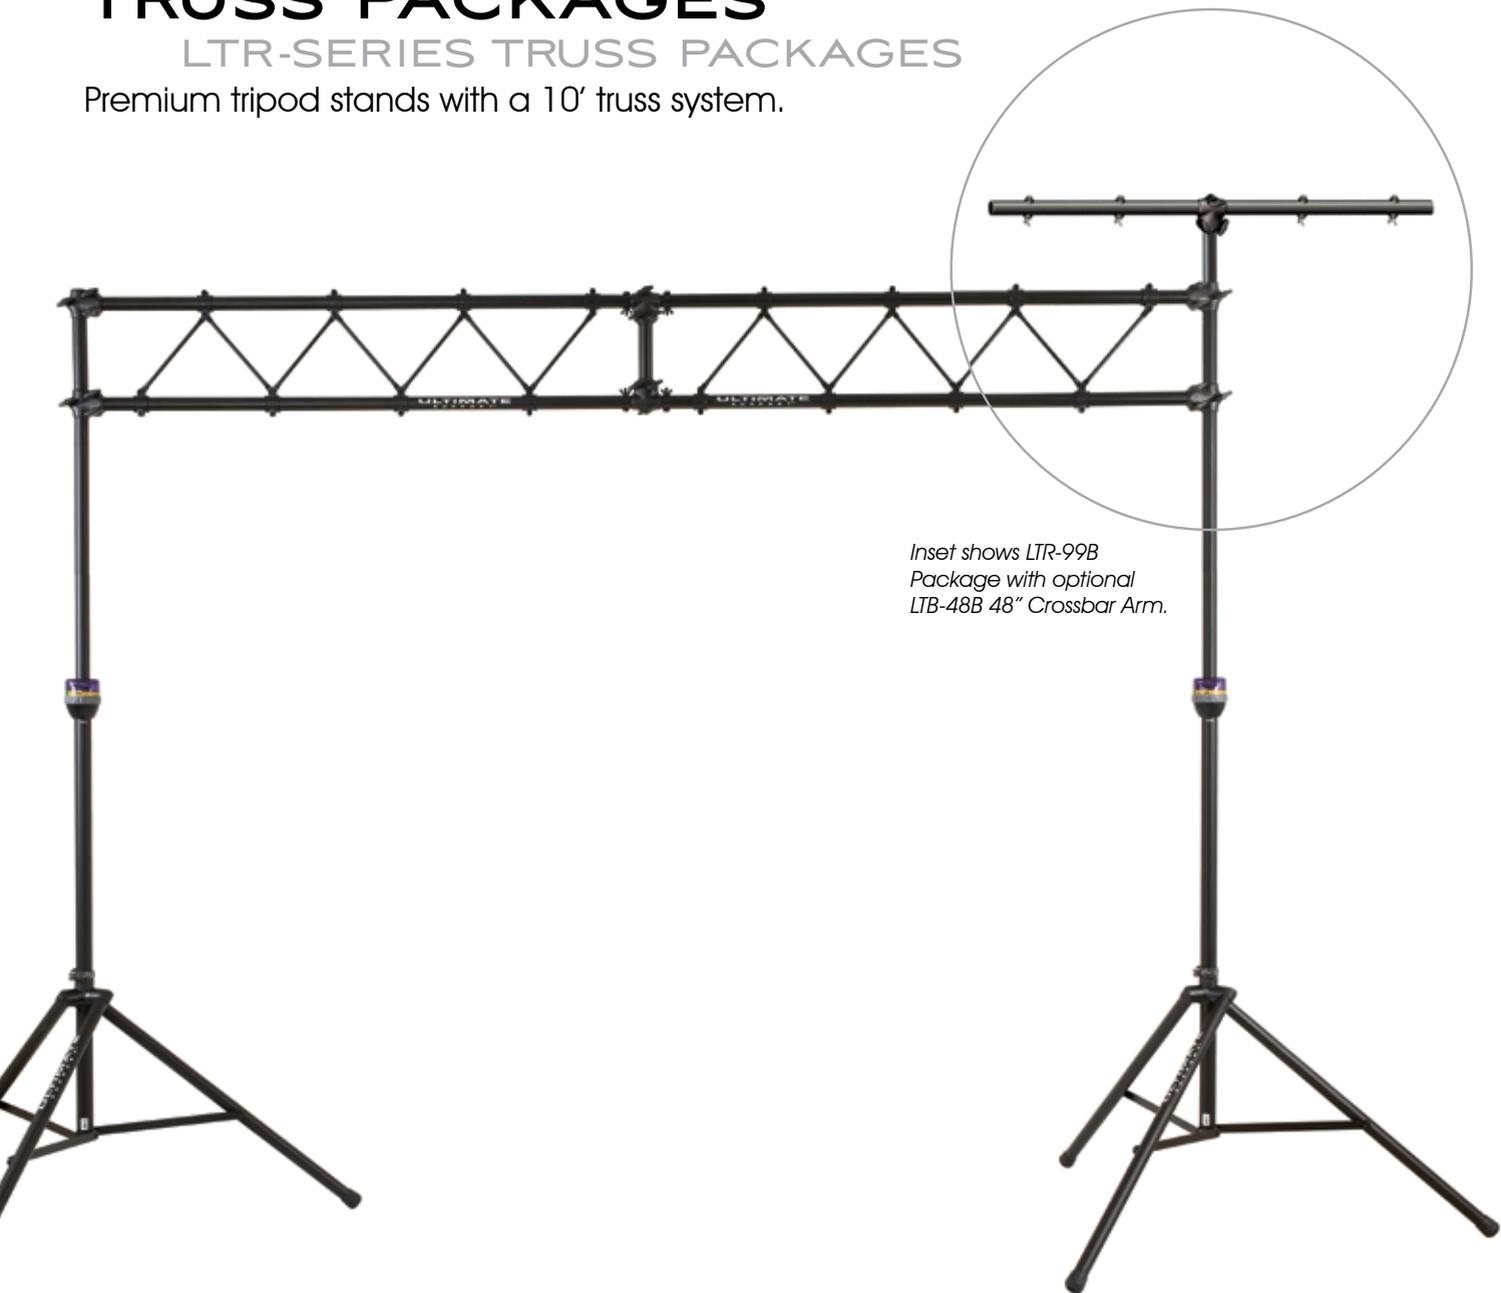

- LT-88B #17343 — black
- TS-88B Original Speaker Stand Base
- See page 10 for stand base specs
- Weight with crossbar 13.8 lbs. (6.3 kg)
- 4' crossbar (1219 mm)
- Crossbar load capacity 60 lbs. (27.2 kg)
- Limited lifetime warranty

# TRUSS PACKAGES

## LTR-SERIES TRUSS PACKAGES

Premium tripod stands with a 10' truss system.

*Inset shows LTR-99B  
Package with optional  
LTB-48B 48" Crossbar Arm.*

## PATENTED TELELOCK®

TeleLock allows one person to easily and safely raise and lower heavy lighting equipment.

## HEAVY-DUTY SYSTEM

The larger diameter, anodized tubing, and metal reinforced clamps on the stand bases securely support two 5' truss sections and up to 220 lbs. of lighting gear evenly distributed.

## TRULY PORTABLE

Stands quickly fold into compact, lightweight units. Truss comes in two 5' sections. Optional tote bags available for stand bases (see page 14).

## VERSATILE STAND

Stand telescopes to 9'2". Optional 48" Crossbar and 24" Vertical Extension available (see page 19).

## LIMITED LIFETIME WARRANTY

The last stand you will ever have to buy, backed by our award-winning customer support.

## LTR SERIES

- Package contains (2) TS-99B TeleLock Tripod Stand Bases and (2) 5' truss sections
- See page 9 for stand base specs
- LTR-88B #17309 - black
- Package contains (2) TS-88B Tripod Stand Bases and (2) 5' truss sections
- See page 11 for stand base specs
- Truss weight 5.825 lbs. (2.6 kg) each section
- Truss width 60" (1524 mm) each section
- Truss section height 12" (305 mm)
- System load capacity 220.5 lbs. (100 kg) evenly distributed
- Limited lifetime warranty

# ACCESSORIES

## FOR LIGHTING TREES

### LTB-48B CROSSBAR

Convert an Ultimate Support TS-99 or TS-88 Series Speaker Stand into a Lighting Tree with this 4' (1220 mm) crossbar. Dual-use bar has 4 pre-drilled holes for mounting hardware (included) and is thick-walled for use with C-clamps (not included).

- LTB-48B #14107 - black anodized finish
- Weight 4 lbs. (1.8 kg)
- 1-year warranty

### LTB-24B CROSSBAR PAIR

Convert a single tier lighting tree into a two tier lighting tree with this pair of 2' (610 mm) crossbars.

Dual-use bar has 4 pre-drilled holes for mounting hardware (included) and is thick-walled for use with C-clamps (not included).

- LTB-24B #14106 - black anodized finish
- weight 2 lbs. (.9 kg) each arm
- 1-year warranty

### LTV-24B VERTICAL EXTENSION

Vertical Extension makes your Ultimate Support Lighting Tree 2' (610 mm) taller.

- LTV-24B #14108 - black anodized finish
- weight 1.8 lbs. (.8 kg)
- 1-year warranty

# STUDIO MONITOR STANDS

## MS SERIES

Sleek and sturdy studio stands place your monitors at ear level.

## MONITOR ISOLATION

Rubber padded platform isolates the cabinet from vibration.

## STREAMLINED & CLEAN

Cable management system eliminates tedious feeding of cables and wires. Simply lay them in the open-faced channels and snap on the back cover.

## ELIMINATE SOUND DAMPENING

To bypass the sound-dampening effect, metal spikes on the base corners go through carpet and padding to rest on subfloor. For hard surfaces use rubber feet (included).

## STABLE STAND

The anodized aluminum column is designed to be filled with either shot or sand; combined with the cast-zinc base, this creates an extremely stable stand while dampening the sound.

## LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

## THE STRENGTH OF INNOVATION

*When seated, measure the distance from your ears to the floor and choose a stand height that places monitor tweeters at ear level. Studio monitors are designed so that on-axis response (direct parallel path from monitor to ears) yields the most accurate sound. To hear the sharpest mix, get those monitors up on Ultimate Support stands!*

## MS-36B2

- MS-36B2 #13550— black, pair
- Height 36" (914 mm)
- Weight (before filling column) 8.45 lbs. (3.8 kg)
- Top plate 9" x 9" (229 mm x 299 mm)
- Base 14" (356 mm)
- Load capacity 75 lbs. (34.1 kg)
- Limited lifetime warranty

## MS-45B2

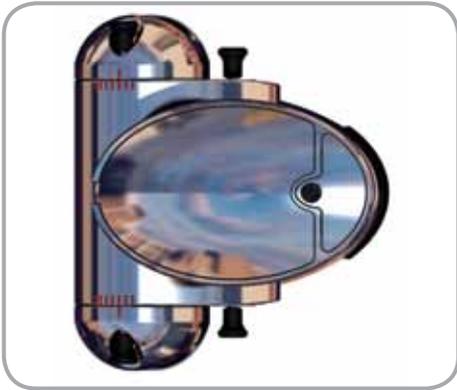

- MS-45B2 #13560— black, pair
- Height 45" (1143 mm)
- Weight (before filling column) 9.55 lbs. (4.3 kg)
- Top plate 9" x 9" (229 mm x 299 mm)
- Base 14" (356 mm)
- Load capacity 75 lbs. (34.1 kg)
- Limited lifetime warranty

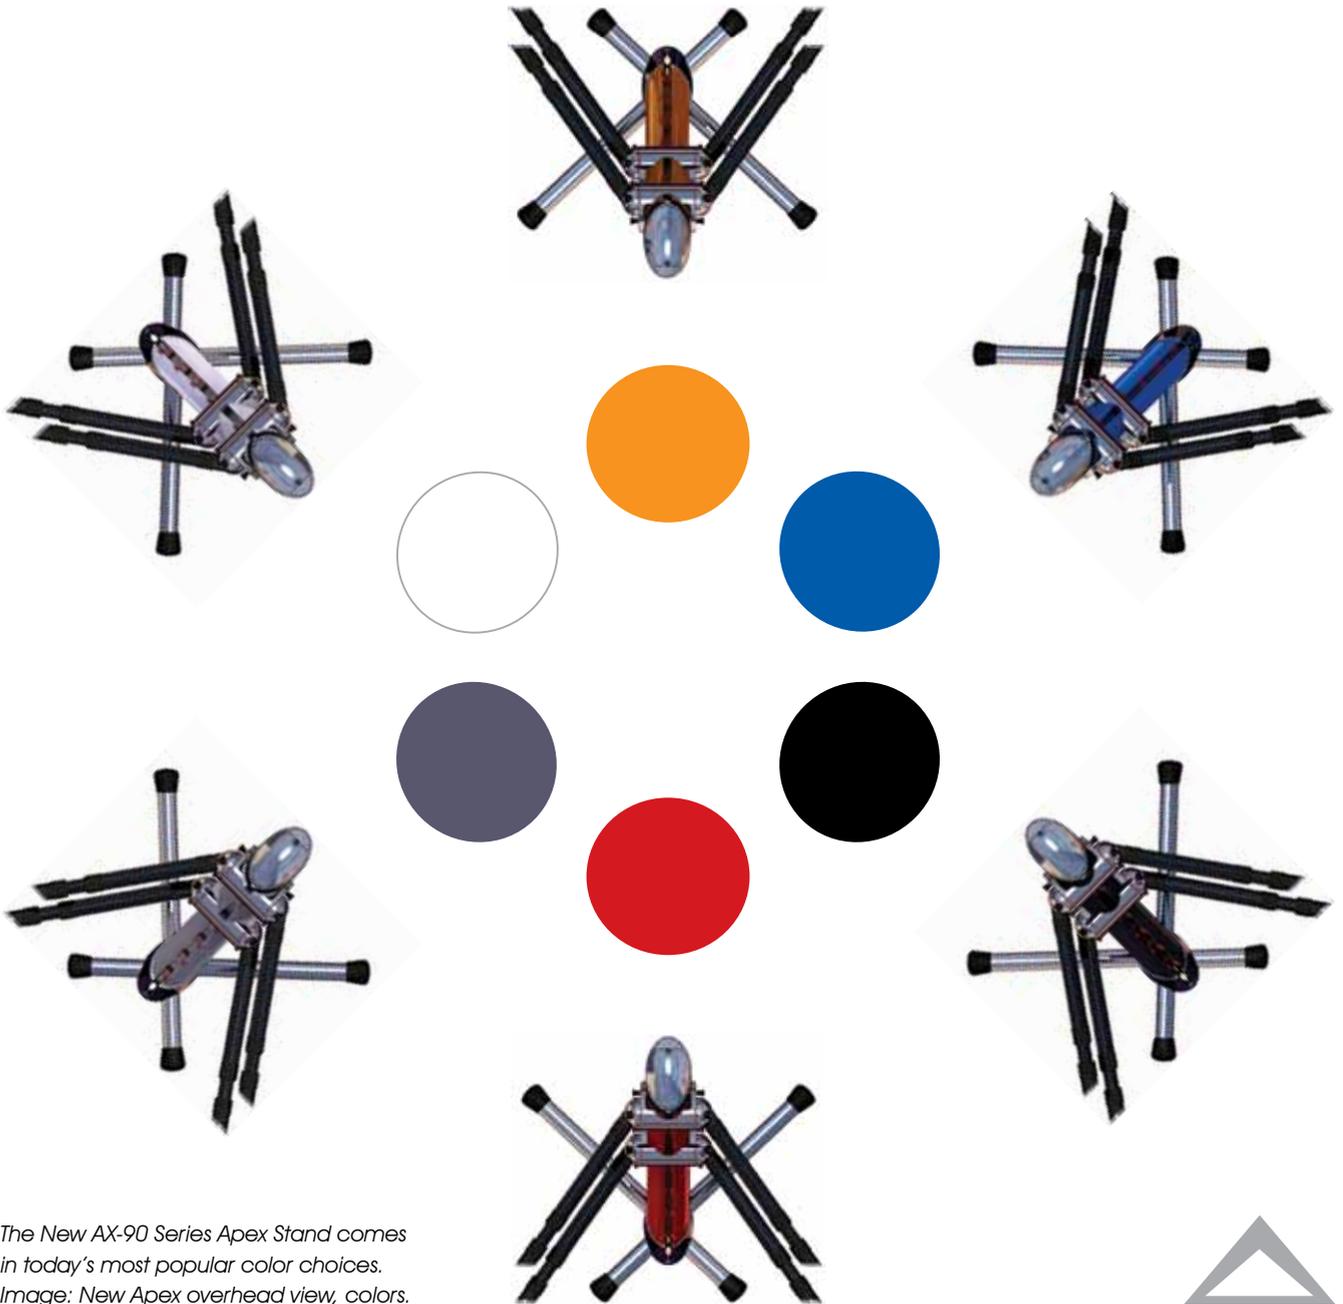

# NEW! APEX

## AX-90 SERIES COLUMN KEYBOARD STANDS

After 20 years, the legend continues.

*The New AX-90 Series Apex Stand comes in today's most popular color choices. Image: New Apex overhead view, colors.*

## STURDY QUAD POD BASE

New Quad Pod design makes the traditional column stand more stable. Four legs provide increased tip resistance and improved center of gravity. Legs lock in place while playing for stable support, even with large 88-note keyboards.

## VERSATILE STAND

Addition of the 4th leg makes the new Apex more stable with a keyboard at lower settings; use as a sit-down or stand-up stand.

## EASY TO USE

Sets up in seconds without tools.

## FULLY ADJUSTABLE ARMS

Newly designed arms are height, width, length, AND angle adjustable with memory settings for easy set-up.

## COMPACT PORTABILITY

Folds into a self-contained, compact unit. Comes with a custom fit tote bag with pockets that also hold the AX-90MIC boom. For bag details see page 25.

## NO PARTS TO LOSE

Stand features a built-in accessory attachment that folds out of the top of the stand - simply snap in optional boom arm or shelf. Cable management is integrated into the face of the column; footcaps are compressed on and won't fall off.

## LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

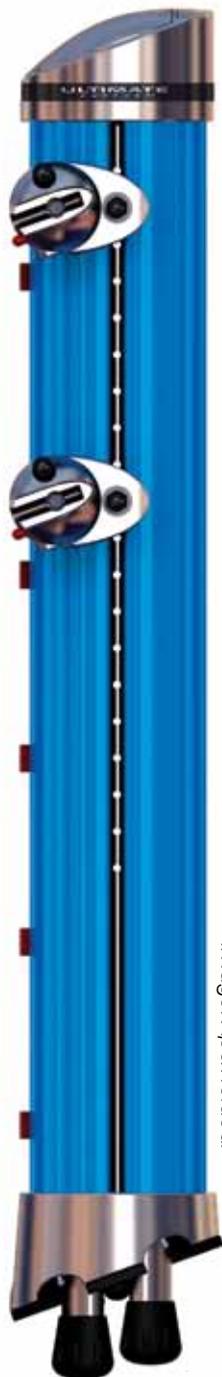

Image: Apex folded.

## AX-90 SERIES

- AX-90B #16761, black pearl
- AX-90OR #16763, orange
- AX-90P #16765, pewter
- AX-90W #16766, white pearl
- AX-90BL #16768, blue
- AX-90R #16769, red
- Set up height 52" (1321 mm)
- Tier height range 19.25" - 47.25" (449 mm - 1200 mm)
- Tier depth range 17.75" - 23.75" (451 mm - 603 mm)
- Tier angle adjustability range horizontal, 6°, and 12° up - 6°, 12°, 18°, and 24° down
- Weight 39 lbs. (17.7 kg)
- Folded length 59" (1499 mm)
- Base diameter 36.5" (927 mm)
- Load capacity up to 150 lbs. (68 kg) per tier or 300 lbs. (136 kg) total
- Limited lifetime warranty

## TOTE BAG (AX-90BAG)

Comes With Every Apex-90 Keyboard Stand.

# NEW! APEX

## ACCESSORIES

### AX-90MIC BOOM

Telescoping “Ulti-boom” (see page 72 for details) utilizes height adjustment channel inside of the New Apex body. Super clean looks combined with perfect functionality. Quickly detaches and stores in protective Apex Bag pocket.

- AX-90MIC #17222
- Telescoping boom length 18.9” - 33.9”  
(480 mm - 860 mm)
- 1-year warranty

### AX-90BAG TOTE BAG

Bag designed to aid in set-up and tear-down, protecting the stand’s finish. Simply store the tiers inside the top of the stand and slip the bag over the top. Laying the bag down with the stand inside, store the legs in the bottom and zip up the bag end. Bag has top end handle and carrying strap.

- AX-90BAG #17263
- Heavy-duty, padded and zippered Tote Bag.  
Holds one AX-90 Series Column Keyboard Stand,  
plus one AX-90MIC boom.
- 1-year warranty

### THE STRENGTH OF INNOVATION

*Incredible new arms are height, width, length AND angle adjustable with memory settings for easy set-up. Infinitely height adjustable arms snap into built-in clamps running on tracks down each side of the column. For playing, arms snap and lock in place; for storage, fold arms down on the outside of the stand or store inside the column without changing length settings. Arms accommodate any size keyboard - no need to order longer arm accessories.*

# APEX CLASSIC

## AX-48 SERIES COLUMN KEYBOARD STANDS

The standard for live-performance support for over 20 years.

### STURDY STAND

Original column stand with locking legs is stable, even with large 88-note keyboards.

### EASY TO USE

Sets up in seconds without any tools.

### TRUE PORTABILITY

Arms store in the column top and legs slide into the bottom creating a self-contained, compact unit with a heavy-duty carrying handle.

### MOST DURABLE

Finest materials with proven reliability. Black or silver anodized aluminum looks great on any stage.

### LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

### THE STRENGTH OF INNOVATION

*Since its introduction over 20 years ago, the Apex Column Keyboard Stand has been the signature keyboard product for Ultimate Support as well as the stand of choice for both professional and amateur musicians.*

### AX-48B/AX-48S

#### APEX KEYBOARD STAND

The original column stand comes with two standard clamps / 13" (330 mm) Tribar sets.

- AX-48B #11556—black, AX-48S #14625—silver

# V-STAND™

KEYBOARDS ▲ DJ EQUIPMENT ▲ CONSOLES

The next-generation standard for live performance support - available in black & white.

### V-STYLE STAND IN WHITE

Sleek design, also available in white, provides a distinctive look. There is no other stand like it.

### HIGHLY VERSATILE STAND

Height and width adjust for optimal sitting or standing positions. Holds keyboards, DJ equipment, and consoles.

### FOOT PEDAL CLEARANCE

Wide footprint for easy access to pedals.

### INNOVATIVE PORTABILITY

Quickly folds into a 19" x 9.5" x 6" compact unit.

### LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

Image: V-Stand folded.

### THE STRENGTH OF INNOVATION

*The V-Stand™ accommodates DJ coffins; with its sleek design, now available in white, V-Stand™ serves as a great alternative to existing DJ live performance gear support methods. In addition V-Stand™ accommodates portable audio and lighting consoles.*

### VS-80B/VS-80W

- VS-80B #15949— black, VS-80W #16537— white

# IQ SERIES

## IQ-3000 DOUBLE-BRACED X-STYLE KEYBOARD STAND

Innovative, heavy-duty, and most requested X-stand on the market.

### MEMORY LOCK

Set the stand to your optimal height and Memory Lock opens to the selected choice every time.

### HEIGHT ADJUSTABLE

One setting every 7.5° - dial in your perfect height from sitting to standing levels.

### STRONG STAND

Die-cast Memory Lock, double bracing, and larger footprint and tubing make IQ-3000 an impressively heavy-duty and stable double-braced X-Style Stand - holds 300 pounds!

### STABLE STAND

End caps adjust to stabilize the stand on uneven surfaces.

### REINFORCED CONNECTORS

Connections between leg braces and top/bottom tubes increase strength and durability over welded X-stands. Top/bottom tubes can be disassembled from leg braces for compact portability when required.

### LIMITED LIFETIME WARRANTY

Constructed of durable materials and backed by our award-winning customer support.

### THE STRENGTH OF INNOVATION

*Large, heavy-duty, double-braced X-Stand is stable under massive loads. IQ-3000 is ideal for DJ coffins or mixers.*

## IQ-3000

- IQ-3000 #14036 — black
- Height 28.75" - 37" (730 mm - 940 mm)
- Width (changes in relationship to height setting) 22" - 34" (559 mm - 864 mm)
- Weight 22 lbs. (10 kg)
- Load capacity 300 lbs. (136.1 kg)
- Limited lifetime warranty

# NEW! IQ-3000 ACCESSORY

## IQ-300 2ND TIER

The best X-stand on the market gets a wonderfully re-designed tier.

### IQ-300 2ND TIER

**Memory Lock** - set the angle and height, and the tier returns to the exact location on every setup. Set up and tear down have never been so easy!

**Height Adjustable** - wide range of vertical adjustment with secure pin locks for zero failures.

**Angle Adjustable** - secure Memory Lock technology provides a wide adjustment range and easy positioning.

**Inward Tilt** - Memory Lock technology provides inward angle adjustment for smaller keyboards.

**Truly Portable** - folds into a compact unit for easy transport.

- IQ-300 #17223 - black anodized finish
- Height from point of attachment to stand 11.25" - 13.25" in 1" Increments (286 mm - 337 mm) in 25 mm increments
- Depth 10" - 15" in 1" increments (254 mm - 381 mm) in 25 mm increments
- Load capacity 75 lbs. (34 kg)
- Weight 5.3 lbs. (2.4 kg)
- 1-year warranty

*Sara Evans*

# IQ NEW! CHAIR SERIES

PC-90 PREMIUM PERFORMANCE CHAIR

Quad Pod Technology.

## STURDY QUAD POD BASE

The 4-legged, Quad Pod base creates an extremely strong and stable structure, providing increased tip resistance and improved center of gravity over 3-legged chairs. Legs lock in place for secure support of up to 250 lbs.

## FULLY ADJUSTABLE

Find your ideal configuration! Seat back, seating surface and leg rest are all fully adjustable from piano bench height to bar stool height.

## COMFORTABLE SURFACES

The back and seat rest surfaces are structured from an ergonomic mesh material for improved comfort, posture, circulation and ventilation. The foot rest has a non-slip surface for a reliable grip while performing.

## COMPACT PORTABILITY

The PC-90 Performance Chair features removable foot and back rests, and folds into its own travel bag (included).

## LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

## THE STRENGTH OF INNOVATION

*New Quad Pod functionality mechanically locks legs in place with the use of push lever response buttons that operate a sliding safety retention pin; this technology is used throughout industrial construction equipment for fail safe attachment of heavy equipment such as a dozer front to a tractor. Durable die-cast steel construction securely supports up to 250 lbs.*

## PC-90B

- PC-90B #17224— black
- Seat set up height up to 38.5" (979 mm)
- Foot rest lowest setting 12.5" (318 mm)
- Base diameter 36" (914 mm)
- Load capacity 250 lbs. (113.4 kg)
- Limited lifetime warranty

# IQ NEW! CHAIR SERIES

## PC-80 PERFORMANCE CHAIR

Unique, comfortable, adjustable and sturdy chair.

### STURDY BASE

Strong horizontal double-legged base creates an extremely strong and stable structure, for increased tip resistance and improved center of gravity over 3-legged chairs.

### FULLY ADJUSTABLE

Seat back, seating surface and leg rest are all fully height adjustable.

### COMFORTABLE SURFACES

The back and seat rest surfaces are constructed from comfortable high-density foam. The foot rest has a non-slip surface for a reliable grip while performing.

### PORTABLE UNIT

PC-80 Performance Chair features removable foot and back rests.

### LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

### PC-80B

Image: Axcel folded

## THE STRENGTH OF INNOVATION

*The original unique guitar stand design that set Ultimate Support apart as the leader of the world's most innovative, solution oriented guitar stands. Now re-introduced with all the warmth, elegance and stability offered by using wood as the structural material. The perfect stand for the world's most beautiful guitars - an unmatched combination.*

## NEW! AXW SERIES

- AXW-1 #17225, maple  
AXW-2 #17226, beech  
AXW-3 #17227, birch
- Set up height 29.5" (749 mm)
- Weight 7.2 lbs. (3.3 kg)
- Limited lifetime warranty

# GENESIS SERIES

## GS-1000 UNIVERSAL GUITAR STAND

Cradle your baby!

## CLOSING YOKE

When placed in the stand, the guitar's weight quickly closes the yoke around headstock of guitar, cradling it safely and securely. Easily remove guitar without catching cable or strap.

## HANGING STYLE STAND

Height adjustable stand holds most sizes and shapes of guitars and basses.

## PROTECTIVE PADS

Soft, micro-fiber pads protect guitar's finish.

## LEG LOCK

Legs lock open and closed for worry-free stability.

## TRUE PORTABILITY

One-piece stand quickly folds into a 3.5" x 21" unit. Take your stand anywhere and never lose parts again!

## LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

## THE STRENGTH OF INNOVATION

*Self-closing, self-opening yoke security gate operates automatically - simply place your guitar or bass into the stand and the instrument's weight pulls the yoke closed around the headstock, holding it safely and securely. To remove the instrument, simply lift up to release the security gate.*

## NEW! GS-1000

- GS-1000 #16538—black
- Set up height 33.5" - 45.5" (838 mm - 1156 mm)
- Folds to 3.5" x 21" (89 mm x 533 mm)
- Weight 3.5 lbs. (1.6 kg)
- Limited lifetime warranty

# GENESIS SERIES

## GS-100 & GS-200 GUITAR STAND

The preferred choice of top performing bands.

*GS-200 Guitar Stand*

*GS-100 Guitar Stand*

### GS-100: HANGING STYLE STAND

Height adjustable to hold most every size and shape guitar and bass. Easily remove guitar without catching cables and straps.

### GS-200: CRADLE STYLE STAND

Fold-down support arms securely hold the instrument.

### PROTECTIVE PADS

Soft, micro-fiber pads protect guitar's finish.

### LEG LOCK

Legs lock open and closed for worry-free stability.

### TRUE PORTABILITY

One-piece stand quickly folds into a 3.5" x 21" unit.  
Take your stand anywhere and never lose parts again!

### GUITAR PICK STORAGE SLOTS

Keep extra picks close by - located along the top of the stand yoke.

### LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

### THE STRENGTH OF INNOVATION

*Did you know that most expensive guitars use a nitrocellulose lacquer finish that requires special care? Because of the sensitivity of these finishes, our protective padding is a velvety surface which increases protection over standard surgical tubing, rubber or foam. Top performers trust their precious instruments in our stands!*

## GS-100

- GS-100 #13710—black
- Set up height 33.5" - 45.5" (838 mm - 1156 mm)
- Folds to 3.5" x 21" (89 mm x 533 mm)
- Weight 3.5 lbs. (1.6 kg)
- Limited lifetime warranty

## GS-200

- GS-200 #13711—black
- Set up height 32" (813 mm)
- Folds to 3.5" x 21" (89 mm x 533 mm)
- Weight 3.1 lbs. (1.4 kg)
- Limited lifetime warranty

# GENESIS SERIES

## GS-50 GUITAR STAND

Compact, portable stand is ideal for electric guitars.

## A-STYLE STAND

Stable A-frame design securely holds different shapes and sizes of electric guitars.

## LEG LOCK

Legs lock open and closed for worry-free stability.

## TRUE PORTABILITY

One-piece stand quickly folds to 3.5" x 14" creating one of the smallest folding units available.

## GUITAR PICK STORAGE SLOTS

Keep extra picks close by.

## LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

## THE STRENGTH OF INNOVATION

*Genesis Guitar and Amp Stands feature a unique, patented, leg-locking mechanism. When setting up the stand, unlock the legs, unfold and lock the legs in place for worry-free stability and strength. When finished with the gig, unlock the legs, fold, and lock for easy, compact portability. The ingenious leg lock eliminates "floppy leg" syndrome!*

## GS-50

- GS-50 #13735—black
- Set up height 12.25" (311 mm)
- Folded 3.5" x 14" (89 mm x 356 mm)
- Weight 1.5 lbs. (.71 kg)
- Limited lifetime warranty

# GENESIS SERIES

## AMP-150 AMP STAND

Compact, portable amp stand.

### OPTIMAL VOLUME

Three tilt positions direct the amp's sound to your ears.

### LEG LOCK

Legs lock open and closed for worry-free stability of up to 75 lbs.

### TRUE PORTABILITY

One-piece stand quickly folds into a 3.5" x 18" unit.

### MIC BOOM ATTACHMENT

Threaded top tube for mic boom attachment; no need to carry an extra mic stand.

### LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

Image: AMP-150 shown with optional boom.

### THE STRENGTH OF INNOVATION

*Are you experiencing hearing loss or do your band members complain about your volume? Here's a simple solution — get your amp on an Ultimate Support Amp Stand. Use one of the stand's three tilt positions to tip your amp back and face it toward you, allowing you to hear high frequencies at much lower volume levels. In addition, your sound guy will have less vocal mic bleed and better control of the mix. End result: your band will stop threatening to unplug you!*

## AMP-150

- AMP-150 #13464—black
- Folded 3.5" x 18" (89 mm - 457 mm)
- Weight 3.1 lbs. (1.4 kg)
- Limited lifetime warranty

# NEW! TOUR MIC STANDS

## TOUR SERIES TRIPOD BASE MIC STANDS

Heavy-duty, road-worthy, premium microphone stands for touring professionals.

*Patented, interchangeable bases for maximum flexibility.*

## PREMIUM MIC STANDS

Designed for professionals, rental facilities, touring and backline companies, these road-worthy mic stands are the best Ultimate Support has to offer.

## PATENTED UNIVERSAL MIC ATTACHMENT

Top threads fit both US and metric threaded mic clips and accessories.

## DURABLE CONSTRUCTION

Heavy-walled, oversized steel tubing is super strong and takes the abuse of the road. Secure rubber footcaps do not fall off. Stands are ingeniously designed - all parts are interchangeable and field replaceable.

## HEAVY-DUTY FINISH

Beautiful and strong black chrome resists rust and scratches. Get all the benefits of chrome in black.

## PATENTED QUARTER-TURN CLUTCH

Die-cast, quick-adjust system is extremely strong and secure and the ergonomic design is comfortable in your hand. Internal glides ensure fast, smooth, and noise-free adjustment.

## PATENTED BASE DESIGN

Bases feature a patented quick-release connection system and modular design. Mix and match any Tour Series base and shaft for the fastest, most convenient set-up, tear-down and storage. Bases lock on for reliable use.

## STURDY BASE

Stable stands have strong, zinc, die-cast weighted bases in three options: standard, oversized and round base configurations.

## LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

## THE STRENGTH OF INNOVATION

*The new Ultimate Support Tour Series stands feature the industry's first modular design. Use any shaft from across the line - quarter-turn or one-hand clutch systems - and mix and match with any of the bases - tripod and three weighted base options. Any stage crew will appreciate the flexibility of the new modular, quick-release system.*

# NEW! TOUR MIC STAND PACKAGES

## TOUR SERIES MIC STAND/BOOM PACKAGES

Road-worthy, premium microphone stands for touring professionals.

## PREMIUM MIC STAND & BOOM PACKAGES

Designed for professionals, rental facilities, touring and backline companies, these road-worthy mic stands are the best Ultimate Support has to offer.

## PREMIUM ULTI-BOOM

Tour Series packages are a combination of the premium stands described on pages 60 - 63, with the addition of Ultimate Support's best telescoping boom, the "Ulti-boom" (details on page 72).

## LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

## THE STRENGTH OF INNOVATION

*Have sagging and slipping booms just become the norm as you adjust and tighten during your gig? The new "Ulti-boom" telescoping mic boom features an oversized "rotation hub" - the place on a boom where everything comes together. Ultimate Support's center hub is the largest on the market, increasing friction, and reducing any chance of slipping. Adjust it once and forget about it!*

## TOUR-T-T

Tour Series Package - tripod base mic stand with telescoping boom - standard height.

- TOUR-T-T #17208—black
- Height 41.7" - 64.6" (1060 mm - 1640 mm)

# NEW! PRO MIC STANDS

PRO SERIES TRIPOD, WEIGHTED & STACKABLE BASE MIC STANDS

Road-worthy, compact stands designed for the gigging musician.

*Image: Pro-SB,  
bases stacked*

*Field replaceable parts.*

## PROFESSIONAL MIC STAND

Designed to be the dependable, everyday workhorse of the Ultimate Support line of mic stands. Ingenious design with field replaceable parts.

## PATENTED UNIVERSAL MIC ATTACHMENT

Top threads fit both US and metric threaded mic clips and accessories.

## SECURE CLUTCH

Overmolded clutch, offering a fast, secure and reliable clutch that locks up faster and smoother than any clutch on the market, now with dual overmolding for a secure grip.

## DURABLE CONSTRUCTION

Ultimate Support uses thick steel tubing and rubber foot caps that won't fall off.

## HEAVY-DUTY FINISH

Strong coating resists rust and scratches.

## STABLE TRIPOD BASE

Pro stands feature heavy-duty tripod bases with stronger legs that securely snap into place, and oversized foot caps that won't fall off.

## STURDY WEIGHTED BASE

If you prefer some weight, select a strong, die-cast weighted base in two stable options: standard or stackable. Stackable base cut-out allows six stands to stack in the footprint of one. Each stand interlocks with the one underneath for convenient storage and transport.

## LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

## THE STRENGTH OF INNOVATION

*The new Pro Series, setting a new standard for performance and price in a category overlooked by other manufactures. Surpassing the competition with innovative details, such as field replaceable parts, Universal Mic Attachment, Quarter Turn Clutch, and oversized tubing. The Pro Series, a workhorse for the artist looking for the perfect balance of price and performance.*

## PRO-T

Pro Series tripod base mic stand - standard height.

- PRO-T #17198—black
- Height 41.7" - 63" (1060 mm - 1600 mm)

- Boom length 34.3" (870 mm)
- Tube diameter 1" (25 mm)
- Limited lifetime warranty

# NEW! LIVE MIC STANDS

## LIVE SERIES ONE-HAND MIC STANDS

The perfect performer stands for 20 years...innovation, reinvented.

*Image:  
Live-T,  
folded*

*Image: Live-SB,  
bases stacked*

### NEW AND IMPROVED “ERGO” CLUTCH

Designed as the perfect performance stand, the new Ergo one-hand clutch holds better than any other one-hand stand. New ergonomic handle feels great in your hand and is so easy to use - just squeeze to easily raise or lower the mic.

### PATENTED UNIVERSAL MIC ATTACHMENT

Top threads fit both US and metric threaded mic clips and accessories.

### ALUMINUM CONSTRUCTION

Durable, anodized aluminum construction creates a strong, ultra-lightweight stand preferred by lead singers.

### LEG LOCK MECHANISM

On the tripod version, simply turn the locking ring on the base to unlock legs and open. Lock legs in place for stable performance and fold up and lock for compact transport.

### STURDY WEIGHTED BASE

If you prefer some weight, select a strong, die-cast weighted base in two stable options: standard or stackable. Stackable base cut-out allows six stands to stack in the footprint of one. Each stand interlocks with the one underneath for convenient storage and transport.

### CUSTOMIZABLE

Retro fit any of the NEW Custom Mic Tops (shown on page 58) onto any of the Live Series stands for your own unique style.

### LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

### THE STRENGTH OF INNOVATION

*You can actually feel the quality and innovation built into Ultimate Support's redesigned one-hand clutch featured on the new Live Series stands. You'll love the way the ergonomic handle feels in your hand. Plus, the clutch attaches to the telescoping shaft with die-cast couplings, creating a solid feel to this durable mechanism. Simply squeeze the clutch, releasing the internal friction mechanism, raise or lower the smooth sliding tube to set your height; release the clutch and the internal lock engages for secure and reliable adjustment.*

### LIVE-T

Live Series tripod base mic stand with one-hand height adjustment - standard height.

- LIVE-T #17204—black
- Height 45.3" - 74.8" (1150 mm - 1900 mm)
- Tube diameter 1" (25 mm)
- Limited lifetime warranty

### LIVE-ST

Live Series standard weighted base mic stand with one-hand height adjustment - standard height.

- LIVE-ST #17205—black
- Height 44.5" - 74" (1130 mm - 1880 mm)
- Tube diameter 1" (25 mm)
- Limited lifetime warranty

### LIVE-SB

Live Series stackable weighted base mic stand with one-hand height adjustment - standard height.

- LIVE-SB #17206—black
- Height 44.5" - 74" (1130 mm - 1880 mm)
- Tube diameter 1" (25 mm)
- Limited lifetime warranty

# NEW! ULTI-BOOMS

## ULTI-SERIES MIC BOOMS

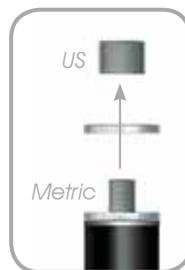

Perfectly positioned, and secure set-up every time.

*Universal Mic Attachment*

*Ergonomic knobs*

*Oversized Rotation Hub*

*Heavy-duty Counter-weight*

### OVERSIZED ROTATION HUB

Ultimate Support's center hub, the critical adjustment point on a boom, is the largest on the market, increasing friction, and reducing any chance of slipping.

### PATENTED UNIVERSAL MIC ATTACHMENT

Top threads fit both US and metric threaded mic clips and accessories.

### ERGONOMIC KNOBS

Large knobs are easier to grasp for quick adjustment, not pinched fingers.

### PREMIUM CONSTRUCTION

Extruded and anodized aluminum tubing with internal glides, ensure fast, smooth and noise-free adjustment.

### HEAVY-DUTY COUNTERWEIGHT

Metal counter-weight provides true balance to the boom.

### LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

### THE STRENGTH OF INNOVATION

*Have sagging and slipping booms just become the norm as you adjust and tighten during your gig? The new "Ulti-boom" telescoping mic boom features an oversized "rotation hub" - the place on a boom where everything comes together. Ultimate Support's center hub is the largest on the market, increasing friction, and reducing any chance of slipping. Adjust it once and forget about it!*

### ULTI-BOOM-TB

Telescoping boom.

- ULTI-BOOM-TB #17203—black
- Boom length 18.9" - 34.6" (480 mm - 880 mm)
- Limited lifetime warranty

### ULTI-BOOM-FB

Fixed-length boom.

- ULTI-BOOM-FB #17202—black
- Boom length 34.3" (870 mm)
- Limited lifetime warranty

# MIC STAND PACKAGE

MC-40

Strong, stable and dependable.

### EASY ADJUST BOOM

Three-way adjustment tightens with just one knob.

### SECURE CLUTCH

Smoothly raise or lower height with comfortable and reliable clutch.

### LOCKING LEGS

Stable stand has a durable resin base and legs that lock into place.

### CABLE MANAGEMENT

Simply snap cables into guide clips.

### LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

## MC-40

- MC-40B #15159—black
- Stand height 36" - 63" (914 mm - 1600 mm)
- Boom length 31.7" (805 mm)
- Folded length 38.8" (986 mm)
- Weight 6.3 lbs. (4.2 kg)
- Limited lifetime warranty

# WEIGHTED BASE STAND

MC-05

Traditional, reliable round base stand.

## SECURE CLUTCH

Smoothly raise or lower height with comfortable and reliable clutch.

## WEIGHTED BASE

Sleek, triangular, cast-iron base is very stable and sturdy.

## QUICK RELEASE BASE

Quickly attach base with just a few turns. Self-locking pieces won't unthread unless you want them to. There has never been a simpler process.

## HEAVY-DUTY FINISH

Black enamel coating resists rust and scratches.

## CABLE MANAGEMENT

Simply snap cables into guide clips.

## LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

## MC-05

- MC-05 #13461 — black
- Height 34.75" - 64" (883 mm - 1626 mm)
- Weight 8.8 lbs. (4 kg)
- Limited lifetime warranty

*50 Cent and Band*

# PROFESSIONAL STUDIO BOOM

MC-125

Heavy-duty, stable and adjustable studio boom stand.

### EXTREMELY STABLE BASE

Larger diameter base, with locking, in-line skate-style wheels provides low center of gravity and extra stability.

### HEIGHT ADJUSTABLE

Smoothly raise or lower height with comfortable and reliable clutch; height adjustable from 51.5" - 82.75".

### ADJUSTABLE BOOM

Long boom telescopes from 35" - 61"; features a friction-free clutch and arm extension. Also includes a unique, easy-adjust 5.75 lbs. counterweight.

### MOBILE AND PORTABLE

In-line skate-style wheels travel smoothly and quietly. Threaded shaft & boom sections provide quick set-up and tear-down for easy transport and storage.

### LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

### THE STRENGTH OF INNOVATION

*Protect your expensive studio microphones with the MC-125. The heavy, cast base, and counterweighted boom are reliably supported by innovative casters. Casters feature 3° of freedom - rotation, travel, and locking brake.*

## MC-125

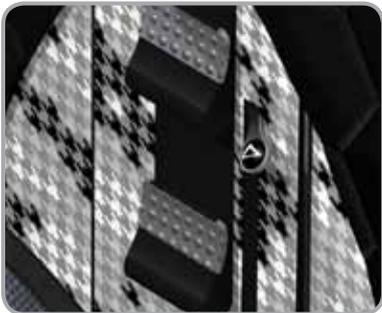

- MC-125 #16124 — black
- Stand height with casters 51.5" - 82.75" (1308 mm - 2102 mm)
- Boom length 35" - 61" (889 mm - 1549 mm)
- Caster diameter 3.75" (95 mm)
- Base diameter 22.5" (572 mm)
- Folded assembled with casters 58.75" x 22.5" (1492 mm x 508 mm)
- Weight 35 lbs. (15.88 kg)
- Counterweight weight 5.75 lbs. (2.6 kg)
- Limited lifetime warranty

# NEW! CUSTOM BAGS

## CUSTOM SERIES GUITAR BAGS

Design, style, and protection, the Custom Bag Series cuts no corners.

## PREMIUM BAGS

The stylish Custom Series offers the most padding of all new bags, plenty of modular storage and ergonomic backpack straps. With top tier materials, and custom hardware, our Custom Bags will protect even your most prized acoustic, electric guitar or bass. The best money can buy without paying for custom cases.

## WATER RESISTANT

Water resistant laminated 1680 Ballistic Nylon exterior, waterproof EVA molded pockets, and water resistant zippers.

## PROTECTIVE PADDING

30mm of stylish, quilted padding, sandwiched between semi-rigid PE board, Ballistic Nylon exterior, and super soft, scratch free nylax interior.

## DURABLE CONSTRUCTION

Double stitched seams, metal hardware, reinforced gussets, riveted handles, and molded EVA pockets to protect your gear and guitar.

## ADDITIONAL INSTRUMENT SUPPORT

The modular interior offers adjustable interior protection (with an adjustable neck channel and headstock compartment) to accommodate most electric guitar, bass and acoustic models.

## CONVENIENT STORAGE

Plenty of organizational pockets and Velcro straps for all your foot pedals, cables, headphones, and accessories.

## EASY TO CARRY

Custom bags feature ergonomic backpack straps for extra comfort that tuck away when not in use. Bags fit in overhead compartments.

## LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

## THE STRENGTH OF INNOVATION

*With over 30 years of innovation with stands, we have learned a thing or two about how to protect what matters to you. Just another gig bag would not do, it had to be an "Ultimate" bag. New features, better protection, and a better design than other gig bags. Finally a bag worthy of the Ultimate Support brand.*

## CUSTOM SERIES GUITAR BAGS

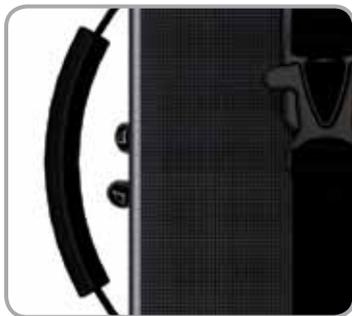

- Custom Electric Bag - USCB-EG #17177—black
- Custom Acoustic Bag - USCB-AG #17178—black
- Custom Bass Bag - USCB-BG #17179—black

# NEW! HYBRID CASES

## HYBRID SERIES GUITAR & KEYBOARD CASES

The best of both worlds, the soul of a hardcase, with the advantages of a softcase.

*Image: Hybrid Series Rigid Internal Frame*

## PROFESSIONAL CASES

The stylish Hybrid Series offers the most protection of the new Ultimate Support bags and is the best case for the working and touring musician and professional. These cases are tough & water resistant, combining the protection of a hard case with the portability and flexibility of a soft bag.

## WATER RESISTANT

|Water resistant laminated 1680 Ballistic Nylon exterior, waterproof EVA molded pockets, and water resistant zippers.

## HIGHLY PROTECTIVE

A patented rigid internal frame, in tandem with the water resistant exterior, and heavily padded Nylex interior with 20 mm of protective foam, protect your gear from impact and from the elements. Hybrid Series provides the best protection for your instruments.

## DURABLE CONSTRUCTION

Double stitched seams, metal hardware, reinforced gussets, and riveted handles.

## CONVENIENT STORAGE

Plenty of organizational pockets and Velcro straps for all your foot pedals, cables, headphones, and accessories.

## TRULY PORTABLE

Hybrid bags feature ergonomic backpack straps for extra comfort that tuck away when not in use. Bags fit in overhead compartments.

## LIMITED LIFETIME WARRANTY

Constructed of high quality materials, backed by our award-winning customer support.

## THE STRENGTH OF INNOVATION

*With over 30 years of innovation with stands, we have learned a thing or two about how to protect what matters to you - expanded features, better protection, and better design than other gig bags. The Hybrid Series uses a Patented construction that offers the rigid protection of a hardcase with all the advantages of a softcase, while coming in at a lean 20% lighter than comparable bags. Finally a case worthy of the Ultimate Support brand.*
